

Letter of Recommendation

Date: 18.07.2023

Dear Sir/Madam

Reference for Saumitra Topinkatti

Saumitra has worked for me as a Flutter Developer Intern at Tharasis from April 2023 to July 2023.

Saumitra has always been an extremely trustworthy and hard-working member of our team of developers. He has worked regularly for our team and has always been punctual and reliable.

Saumitra has demonstrated excellent communication skills when working with a wide variety of people, including other developers and worked very closely with our CTO. He has always been willing to get stuck into any job that he has been asked to carry out, and always works conscientiously and enthusiastically. He can also be relied on to work on his initiative and take responsibility for handling any situations as they arise. He's worked on our user app, business app and set up our analytics on his own.

I would highly recommend Saumitra for any role as he is an excellent employee – reliable, honest, mature, cheerful and hard-working: he would be an asset to any workplace.

Please do not hesitate to get in contact if you would like further information.

Yours faithfully
Godwin Rayen.
